

HOW TO VOTE FOR A WRITE-IN CANDIDATE ON THE I-VOTRONIC VOTING MACHINE

- After the poll worker has activated your ballot.....
 - To enter a Write-In candidate, touch the word “Write-In” under the correct office title
 - A screen will appear similar to a key board on a typewriter or computer key board
 - Type in the name by pressing the letters and space as desired
 - If you make a spelling error, simply touch the backspace to correct it
 - After you have entered your Write-In and are satisfied with the spelling press “Accept” (or if you have changed your mind about voting for a Write-In select “Cancel”)
 - This process will populate one of the Write-In spaces with the name you

typed in and will place an “X” in the box beside the name

- When reviewing your ballot on the Summary page, the Write-in will appear
- After you are satisfied with your selections, press the “vote” button to cast your ballot, and then confirm you ballot
- The “Thank you for voting” screen will appear. This completes your voting process
