Clearfield County and Elk County are teaming up to establish a Joint Comprehensive Plan to develop strategic goals for future economic growth and to better position both counties for future federal and state funding. The plan will create a vision that reflects the ideas and goals of each region's residents and stakeholders. For more information about the plan and to stay up to date on ways to get involved go to [ClearfieldElkComp-northcentral.hub.arcgis.com](https://clearfieldelkcomp-northcentral.hub.arcgis.com).
