#### Public Comment – None

Chair Scotto presented the proclamation naming April 2020 Pennsylvania 811 Safe Digging Month. Approval by motion of Commissioner Glass, seconded by Commissioner Sobel; motion carried unanimously.

Wayne Wynick attended the meeting to provide awareness to the County concerning Spring Wildfire Season. Mr. Wynick explained that people are responsible for 98% of all wildfires and that 85% of wildfires in PA occur during the March, April and May. Mild winters like this past winter with little to no snow pack can increase the severity. Yesterday was a prime example of a day that wild fires happen. It was warm and windy which dried out leaves, branches and debris, which caused a number of fires around the County yesterday. Motion to name March as Spring Wild Fire Prevention Month by Commissioner Sobel, seconded by Commissioner Glass; motion carried unanimously.

Motion to adjourn by Commissioner Glass, seconded by Commissioner Sobel; motion carried unanimously.

Lisa McFadden, Chief Clerk
