

RFP Q&A

Q: Will local or in-state agencies be given preference?

A: No, there will not be preference given to local or in-state agencies.

Q: Is there a preference on what Content Management System (CMS) will be used?

A: No, we do not have a preference on what CMS is used.

Q: What CMS, if any, is being used on the current website?

A: We currently use WordPress.

Q: When was your website last redesigned?

A: It was last redesigned around 15-20 years ago.

Q: What is your “not to exceed” budget?

A: We would like to stay under \$20,000.

Q: How many pages, if any, will you be migrating from the current site to the new site?

A: We will be migrating around 50-70 pages.

Q: Will your website require a payment processor?

A: No, the website does not require a payment processor.

Q: Is the County good with offshore consultants/developers working on the project?

A: We are not looking for offshore consultants or developers at this time.

Q: Are the resources required to work onsite or is remote work an option?

A: Remote work is an option.

Q: Does the county plan to select a single vendor or multiple vendors for this RFP?

A: We are looking for a single vendor at this time.
